Sample Twitter Posts

Dayenu: A Jewish Call to Climate Action will be live tweeting. Follow along, like, and share [@JoinDayenu](#).

- Happening NOW: Two dozen leaders outside @StateDept deliver @Pontifex-led Faith and Science multifaith climate Appeal to staff from @ClimateEnvoy, offer prayers, and call for ambitious action on the climate crisis. #Faiths4Climate #COP26
- Representatives from the world's major religions agree: Ambitious climate action can't wait! Today, faith leaders deliver their message to @potus @StateDept @ClimateEnvoy #Faiths4Climate #COP26
- As diverse faith leaders gather at @StateDept and call for urgent climate action, @SenateDems @SenateGOP @HouseDemocrats @HouseGOP, don't let @potus show up to #COP26 empty handed - pass a big and bold #BuildBackBetter bill! The world is watching. #ActNow

Sample Facebook and Instagram Post

UPDATE: A Facebook livestream will be available via [Sojourners](#).

Today two dozen faith leaders from diverse faith traditions are gathering outside the State Department to read and deliver a recently-released Appeal led by Pope Francis and signed by representatives from the world's major religions in the lead up to COP26. Their message is clear and united: We need urgent, ambitious action on the climate crisis!
